Room Layout- JUICE workshop

The Setting

We love alternative ways of setting up a workshop! Creating an atmosphere where the participants feels absolutely comfortable and yet challenged. In this workshop, the use of theatre, team games and experiential methodologies are essential ingredients, hence we'd require ample place to move around and make noise.

Please book a space with ample natural light (Yes, we want sunlight streaming in) and no fixed furniture for the participants to work with one MaynardLeigh consultant.

Things Required at the Venue

For the workshop, we will need the below mentioned:

- UPS Power Back-up for Laptop, LCD projector & Laptop speakers
- External speakers (for laptop connectivity). The external speakers should be loud enough for music playback
- White board & White board markers (2 blue, 2 black, 2 green)
- Flip chart and Flip chart stand with suitable clips
- Color pens (Normal sketch pens - about 30)
- Notepads and pens (for participants)
- Blu-Tac (This substance is used to stick things, posters or paper on the wall)
- 20 A4 Size normal and drawing sheets
- 2 tables for the consultant (one will be used for the projector and the other for keeping the handouts)
